2. Subject to the provisions of by-laws hereinafter permission under section 172 (1) of the Act will be granted in respect of such encroachments only as are encroachments of necessity.

NOTES—(1) The necessity for an encroachment at ground level can be established only if there is such a public drain outside the building that it is difficult to find access to the building in the absence of the proposed encroachment.

(2) The alternative of providing a crossing over the drain at the expense of the owner of the building, will be considered before the proposed encroachment is allowed.

3. A step or steps to provide access to a building may be permitted if the plinth level of a building is more than one foot above the level of the street, at the roadside edge of the drain subject to the following conditions:—

(4) the crossing shall be made of cast iron reticulated gratings unless the Committee permits it to be constructed otherwise;

STATEMENT OF OBJECTS AND REASONS

The main object of the proposed Bill is to give more wide power to proper courts to give opportunity to first offenders to reform themselves. There are some provisions in the Code of Criminal Procedure, 1897, but these are not wide enough and are not elaborate and comprehensive, hence there is a necessity of an enactment like that of the proposed one.

Budget Statement by the Hon'ble Shaikh Sadiq Hasan, Barrister-at-Law, Adviser for Finance on the Punjab Budget, 1950-51

The Punjab Budget for 1950–51 is being published to-day. A fairly detailed statement of affairs will be found in the memorandum of the Finance Secretary, which forms part of the publication. The only modification in the budget since the Finance Secretary's memorandum was drawn up is that relating to abiana which is dealt with hereafter. Briefly, the position is as follows :—

REVENUE ACCOUNT

1948–49

2. The budget estimates for the year were Income 12,78 lakhs and Expenditure 18,82 lakhs. The revised estimates were Income Rs. 15,46 lakhs and Expenditure Rs. 19,25 lakhs. The latest accounts available show an Income of Rs. 17,21 lakhs and an Expenditure of Rs. 19,43 lakhs, i.e., a deficit of Rs. 2,22 lakhs. The improvement as compared with the revised is due mainly to increased income under—

Miscellaneous (1,72 lakhs);

Electricity (36 lakhs) due to sale of more energy than anticipated;

Interest (11 lakhs) on account of interest recovered from the Food Department;

Civil Works (8 lakhs).

These increases are set off against minor reductions under other heads of accounts and increased expenditure of Rs. 18 lakhs mainly under Miscellaneous caused by more expenditure on Refugee camps.

1949–50

3. Revenue for the year was shown in the budget at Rs. 14,07 lakhs while expenditure was Rs. 16,62 lakhs, i. e., a deficit of Rs. 2,55 lakhs. As a result of additional taxation made up of Rs. 1,50 lakhs from 40 per cent surcharge levied on water rate, Rs. 40 lakhs Agricultural Income Tax, Rs. 50 lakhs Muhajir Cess, Rs. 10 lakhs from Entertainment Tax and Rs. 14 lakhs on account of Electricity Charges the deficit was converted to a surplus of Rs. 9 lakhs. The revised budget figures are Income Rs. 19,67 lakhs and Expenditure Rs. 17,90 lakhs or a surplus of Rs. 1,77 lakhs. The betterment is mainly due to enhanced assignment from the Central Government on account of Sales Tax (Rs. 1,60 lakhs) as a result of further

negotiations held recently with that Government; an increase of Rs. 52 lakhs from Irrigation; an increase of Rs. 76 lakhs under the head 'Miscellaneous' on account of additional income from allottees of registered factories and other productive industrial undertakings; an increase of Rs. 26 lakhs under Civil Works caused by collection of arrears of rent, surcharges on grain storage bins and contributions from the Road Fund. These increases have been set off by minor decreases under other revenue heads and increase of expenditure of which the chief are Forests (10 lakhs), Interest on debt (19 lakhs), Police (13 lakhs), Civil Works (25 lakhs), Miscellaneous (92 lakhs). The increase in the last item is due mainly to a smaller recovery than was anticipated on account of the cost of certain rehabilitation staff, and to the grant of Rs. 20 lakhs to the Thal Authority for Thal Development.

4. Items of interest which have now been included in the Estimates for 1949-50 are the creation of the following funds:—

(1) PAY REVISION FUND—Rs. 20 lakhs has been set aside to meet anticipated expenditure in connection with the revision of pay scales of the low paid Government servants with retrospective effect from the 1st January 1950. This is legitimately debitable to current year's revenue.

(2) CIVIL DEFENCE FUND—Rs. 15 lakhs has been earmarked for expenditure for Civil Defence Training including contributions towards the setting up of Rifle Clubs all over the Province.

(3) TARAQQI-I-URDU FUND—One lakh has been set aside as a nucleus for the development of our national language Urdu by encouraging translations from foreign languages and writing of new books and by diverse other means.

(4) SPORTS STADIUM FUND—One lakh has been funded to give assistance for building of a Sports Stadium in Lahore. In view of the important role played by games and sports in the nation-building programme, the capital of the Province must have a stadium

befitting its importance, particularly as it has a very large student population.

(5) IQBAL ACADEMY FUND—One lakh has been set aside for starting an Academy in Lahore. The object of the Academy will be to promote deeper studies of Iqbal and along with that to bring him within reach of the man in the street.

As already stated, the revised budget for 1949-50 discloses a surplus of Rs. 1,77 lakhs. Government have decided to refund 20 per cent of the surcharge on abiana for the current year, which would necessitate a refund of about Rs. 75 lakhs. Therefore the surplus for the current year on the basis of revised estimates will be reduced to Rs. 1,02 lakhs.

1950-51

5. Income is estimated at Rs. 19,62 lakhs while Expenditure is Rs. 18,60 lakhs, giving a surplus of Rs. 1,02 lakhs. It is of interest to trace the position since partition. In the post-partition period of 1947-48, the accounts show a deficit of Rs. 4,31 lakhs, the accounts for 1948-49 a deficit of Rs. 2,22 lakhs, the revised 1949-50 a surplus of Rs. 1,77 lakhs and the budget 1950-51 a surplus of Rs. 1,02 lakhs. Normally the surplus would have been Rs. 2,56 lakhs but for expenditure of Rs. 1,54 lakhs on new schemes which will be mentioned later. This improvement indicates the care with which the finances of the province have been husbanded.

6. A noteworthy feature of the 1950-51 budget is that Rs. 80 lakhs of New Expenditure in the next year relate entirely to the Beneficent Departments. Rs. 5,56 lakhs will be spent next year on these Departments as against Rs. 4,76 lakhs in the 1949-50 (Revised). It may be added that the proportion of expenditure on Beneficent Departments as against the total expenditure of Government now stands at 30 per cent and marks a considerable increase on the corresponding percentage of any previous year either before or since partition.

Education has been the main beneficiary in the new year and provision has been made for New Expenditure of Rs. 38 lakhs under this head carrying the total Education expenditure to Rs. 2,90 lakhs. Rs. 10 lakhs have been earmarked in the course of the next year for expansion

of adult education. Primary education will receive special attention and as many as 600 new Primary Schools and 6 Normal Schools will be opened at a cost of Rs. 11 lakhs. Eight new Government High Schools for boys and girls have been provided for, with two new Colleges, one for men at Mianwali and one for women at Rawalpindi. The question of establishing another girls college in Multan Division is also under active consideration of the Government. The Province will now have a Women's College in every Division and a degree college in almost every district. A provision of Rs. 10 lakhs is being made for a special grant to Panjab University for general purposes and Scientific studies and another sum of Rs. 10 lakhs is also being provided for giving special fee concessions and stipends to indigent refugee students. A sum of Rs. 5 lakhs will be granted for award of scholarships for foreign studies.

To provide for the growing needs of the education system of the Province, and help produce more teachers, Rs. one lakh has been earmarked for the grant of stipends to B.T. and C.T. students.

In addition, Government intend to provide during the year substantial sums for grant of scholarships for students belonging to scheduled castes and backward classes. Grants have also been sanctioned consistent with their requirements for the Pakistan Art Council, Lahore and the Pakistan Association for Advancement of Science. Liberal grants have been provided for equipping various Colleges for Science teaching, Islamia College, Lahore, getting a substantial grant out of this amount. A Physical Training College at Lahore will be started at an estimated cost of Rs. 1½ lakhs.

Under Health Services mention may be made of the decision to provincialise 150 rural dispensaries in the Province at a cost of Rs. 10 lakhs. Rs. 7 lakhs have been earmarked for the provision of at least one Mobile Dispensary in each district. A Tuberculosis Hospital at Sargodha will be opened at a cost of Rs. 1¼ lakhs. Rs. 4 lakhs have been provided for Sanitary grants in urban and rural areas.

Other Beneficent Departments will see an expansion of their activities. Mention may be made of a new Motor Works Institute at Rawalpindi at a cost of Rs. 1,82,000 and opening of new classes for training in

Radio Engineering in Lahore (Rs. 76,000). The surgical instruments and allied trade developments in Sialkot will be reorganised at a cost of Rs. 2,72,000. Six new Industrial Schools for Girls will be opened. Subsidies under the State Aid to Industries Act of Rs. 1 lakh and loans under the same Act for development of small industries (Rs. 5 lakhs) have been provided for. Government have also decided to set up an Industrial and Commercial Museum in Lahore. Various schemes already undertaken by the Industries Department, viz., Travelling Demonstration Parties will continue.

Under the head 'Veterinary' provision has been made for the manufacture of biological products at the Punjab Veterinary College, Lahore, at a cost of Rs. 1,63,000. A Spinning Scheme which mostly benefits refugees at an estimated cost of Rs. 1,84,000 is being undertaken under the aegis of the Co-operative Department.

A provision of Rs. 2 lakhs has also been made for creating a new Department of Islamiat in 1950-51. A sum of Rs. one lakh has been provided to render financial assistance to genuine and deserving orphanages and charitable institutions.

It may be mentioned in this connection that Government have under consideration a scheme for the establishment of poor houses and widows' homes throughout the province, and final decision will be taken when details are completed.

CAPITAL EXPENDITURE

7. The budget of 1949-50 provided Rs. 14,69 lakhs for Capital Works. The revised budget provides Rs. 9,21 lakhs. The reduction is due partly to slower progress on works and delay in obtaining materials and plant. In 1950-51 the provision for Works is Rs. 12,25 lakhs. The main items on which expenditure is contemplated are :—

(1) Thal Irrigation Scheme;
(2) Bhambanwala-Bedian-Ravi Link;
(3) Rasul Tubewell Project;
(4) Rasul Hydel Project;
(5) Mianwali Hydel Project;
(6) Lyallpur Thermal Station;
(7) Abandoned Electric Supply Undertakings;

(8) Thal Colony Roads;

(9) Centre for Refugees Cotton and Woollen Workers at Lyallpur.

The actual amount which can be made available will depend on the funds which the Central Government can allot. We hope that necessary funds will be made available so that these important schemes are carried out as early as possible.

WATERLOGGING

8. Government is particularly anxious to combat the growing menace of waterlogging in the Punjab and is determined to spare neither effort nor money to overcome this grave danger. Technical experts of Government are engaged in evolving a comprehensive scheme in this connection and as soon as it is finalised, work will proceed apace.

UNEMPLOYMENT ENQUIRY COMMITTEE

Government have no intention to shirk their duty in solving the growing problem of unemployment. A special Committee was appointed for this purpose and its deliberations are in final stages and action will be taken on the recommendations of the Committee which are approved by the Government.

INDUSTRIAL PLANNING COMMITTEE

It is realised that the progress of the province must depend on rapid industrialisation, and the activities of the Industries Department will be accelerated in the year 1950-51 for this purpose. Government have also decided to set up an Industrial Planning Committee which will be charged with the duty of producing such schemes of economic importance as can be implemented with comparative ease. Side by side with the development of industry the welfare of labour cannot be ignored and, therefore, Government have decided to increase the staff connected with the labour inspection and for strict enforcement of labour laws.

ECONOMY COMMITTEE

Government strongly feel that there is room for economy in expenditure of administration. It has, therefore, been decided to constitute Economy Committee consisting of officials and non-officials which will examine all the possibilities for cutting down wasteful and unnecessary expenditure.

DEBT POSITION

9. The total permanent debt which the province inherited on 15th August 1947 was Rs. 31,48 lakhs. Since then, loans aggregating Rs. 6,12 lakhs fell due for redemption and are being redeemed. A sum of Rs. 4,61 lakhs has already been paid. Interest and repayment of capital in respect of other loans is being met as and when demanded.

It has yet to be decided how responsibility for liquidating pre-partition debt should be distributed between our Province and East Punjab. Negotiations to this end are proceeding.

The debt incurred since 15th August 1947 is Rs. 10 crores for development schemes and Rs. 3,88 lakhs for redemption of debt. Ways and Means advances to finance foodgrain purchases were taken in the year 1949-50. Provision has been made for payment of these advances in both 1949-50 and 1950-51.

ABOLITION OF 40 PER CENT INCREASE IN ABIANA AND REVISION OF PAY SCALES

10. Government have decided to abolish the 40 per cent surcharge on abiana altogether during the next year. This would result in a reduction in income of Rs. 1,51 lakhs in 1950-51. Besides, it is necessary to make provision for an additional expenditure of Rs. 80 lakhs which Government will have to incur during the next year on account of revision of pay scales of the low paid Government servants. These two items would convert the estimated surplus of Rs. 1,02 lakhs to a deficit of Rs. 1,29 lakhs. It is proposed to make up this deficit in the following manner. The Agricultural Income Tax will be continued, and this is expected to yield Rs. 50 lakhs. The Muhajir Cess on land revenue will also be continued, which is expected to yield Rs. 59 lakhs and the Muhajir Cess on abiana at the rate of 12½ per cent which was in force in 1948-49 but was abolished on account of the imposition of 40 per cent surcharge on abiana for the current year, will be restored. This is expected to yield Rs. 58 lakhs. The Government do not propose to levy any new tax. The figures of revenue receipts and expenditure as a result of these changes will be :—

	Revised Estimate, 1949-50	Budget Estimate, 1950-51
Revenue Receipts ..	18,92 lakhs	19,78 lakhs
Revenue Expenditure ..	17,90 "	19,40 "
..	1,02 "	38 "

11. I must in the end thank Mr. A. K. Malik, our able and industrious Finance Secretary for his unstinted co-operation and the jealous care with which he has protected the best interests of the State. I should also like to acknowledge the good work of the officials of the Finance Department. Our thanks are also due to Mian Bashir Ahmad, Accountant-General, Punjab, for the maintenance of our accounts and the willing assistance always rendered by him.

I shall be failing in my duty if I did not acknowledge the valuable co-operation and help which I have received from my Honourable colleagues.
